Product:

Type/model/trade name:

Basic product information:

Technical approval/ technical regulation (mark, title, date/ year issued):

	<b>APPLICATION FOR FOR ISSUANCE OF TECHNICAL APPROVAL</b>	Pr. No.:
		Mark: TD – OB 01
		Issue: 2
		Date: 01.09.2019.

**Documentation attached to this application:**

*Note: The documentation is submitted depending on the process (nostrification of the technical approval or issuance of a national technical approval), the content of which is defined in agreement with the responsible person of the notified body.*

**Applicant’s statement:**

1. The above manufacturer submits a request to the notified / approved body PRO-MOST d.o.o. for the implementation of actions for the assessment and verification of the constancy of the properties of a construction product, more precisely the issuance of a national technical approval. I, as the responsible person of the manufacturer, declare that all information provided in this request is accurate and credible.
2. I declare that the company will fulfill all contractual obligations towards PRO-MOST d.o.o. , regardless of issuing or not issuing technical approval of performance.
